

## Our Mission

In the Spirit of Christ's Love, to preach the Gospel, to provide wholistic care, to serve the community.

## Service Targets

Elderly persons aged 60 or above

Carers

The community at large

## Our Service Objectives

Our centres provide services to

- \* enable elders to stay in their familiar community to lead a healthy, respectful and dignified life,
- \* enhance their positive and contributory role and
- \* involve the public to build up a caring community.

## Membership Application

Please bring your Hong Kong identity card, annual fee and smart membership card fee (for first-time applicants) to make an appointment or visit the centre in person.

## Membership Withdrawal

Please contact our staff and return the membership card for deregistration of membership.

# Neighbourhood Elderly Centre

01

### Health Education

Promote health promotion and psychosocial well-being.

02

### Educational and Developmental Services

Provide opportunity for the elderly to continue learning and keep pace with the times and enjoy an enriching life.

03

### Volunteer Development

Allowing the elderly to unleash their potential and serve the community.

04

### Carer Support Services

Provide information and services for caregivers to alleviate their emotional and stress burden.

05

### Dementia-related Services

Implement public education activities to enhance the community's knowledge of cognitive impairments. Provide supportive programs to dementia clients and their carers.

## SCOPE OF SERVICES

06

### Retirement Life Planning

Encourage individuals aged 55–59 to participate together, promoting active planning for their retirement life.

07

### Promotion of Gerontechnology

Promote gerontechnology products and information, enhancing the quality of life for the elderly.

08

### Social and Recreational Services

Encouraging the elderly to make good use of their leisure time and establish peer support networks.

09

### Drop-in Services

Provides a comfortable resting environment and facilities, appropriate consultation services.

10

### Counseling Services

Assisting the elderly in coping with life or emotional challenges and referring them to other services if necessary. The centre also assists elderly residents in the community in arranging long-term care services.

11

### Outreach and Networking Service

Identify vulnerable, elderly individuals who live alone and lack family care at an early stage.

12

### Provision of Information on Community Resources and Referral Services

Provide the latest community service information to the elderly and community members.

13

### District Collaboration among the Community

Collaborate with local organizations to provide diversified services and support to the elderly and carers.
